USE OF CLUB COMMON AREAS OF FOXFIRE COMMUNITY ASSOCIATION OF COLLIER COUNTY, INC. ("MASTER ASSOCIATION")

The "Club Common Areas" are defined in Section 1.4 of the Amended and Restated Declaration – they include the Master Association's golf course, clubhouse and other recreational amenities.

USE PRIVILEGES

Section 2.6 of the Amended and Bylaws provides for use privileges to the Club Common Areas under different ownership scenarios.

1. When a Member (i.e., the owner of the property) is in residence and is in good standing, the Club Common Areas are available for use by the Member, Member's spouse and their children under 25 years of age, and guests in reasonable numbers. See Section 2.6(A).
2. When a property is owned by or held in a trust, corporation, partnership or other legal entity, such owner must designate in writing one natural person (a real person as opposed to an entity) as the "Primary Occupant". The Primary Occupant is deemed the Member solely for purposes of determining use rights to the Club Common Areas. Use privileges extend to the Primary Occupant and his or her spouse and their children under 25 years of age and their guests in reasonable number. See Section 2.6(B).
3. When a Property is co-owned by natural persons other than husband and wife, the co-owners must designate the Primary Occupant in writing. Use privileges extend to the Primary Occupant and his or her spouse and their children under 25 years of age and their guests in reasonable number. See Section 2.6(C).
4. The term "spouse" (as used in #1-3 above), shall also refer to an individual who cohabits with the Member on a permanent basis (i.e., the Member and cohabitant reside together as a single housekeeping unit, regardless of where the housekeeping unit might be maintained or established from time to time). If the person identified as the spouse is not the legal spouse of the Member or Primary Occupant, the

identification of this type of spouse must be made in writing by the owners of the property. See Section 2.6(D).

5. Any designation of a Primary Occupant or spouse must be made by the owners of the property in writing and delivered to the Master Association. The designation of the Primary Occupant or spouse may not be changed more often than once per 12 month period. See Section 2.6(E).
6. Regardless of anything else in Section 2.6, there cannot be more than 2 persons who have use privileges associated with a property, including owners, Primary Occupant and spouses (but not including their children under 25 years of age or guests in reasonable numbers). See Section 2.6(F).

DELEGATION OF USE PRIVILEGES (Section 2.7 of the Amended and Restated Bylaws and Section 7.2 of the Amended and Restated Declaration)

1. A Member may delegate use privileges to:
 - a. A reasonable number of non-resident guests if accompanied by the Member; or
 - b. Residential tenants who reside in the Member's property.
2. The Member must give prior written notice of the delegation of use rights to the Master Association, including the names, ages, permanent address, intended length of time the delegation will be effective and such other information about each residential tenant the Master Association shall require.
3. A Member who has delegated his use privileges may not use the Club Common Areas during the period of delegation.
4. Only 2 tenants and up to 2 guests may use the golf facilities at any time; the guests must be accompanied by the Member. A fee will be charged for the delegation of use privileges to tenants and guests, not necessarily limited to the cost of processing the delegation.

Foxfire Golf and Country Club Rules and Regulations

HOUSE RULES

The following Rules and Regulations have been adopted and will be administered by management and the Foxfire Community Association Board of Directors. The House Rules are designed to protect the rights and privileges of the members, to protect Club property, and to ensure the mutual enjoyment of the Club by ALL members and their guests.

The obligation of enforcing these rules is placed primarily in the hands of a carefully selected and trained staff whose principal responsibilities are to afford members all the courtesies, comforts, and services to which they are entitled as members of Foxfire Community Association.

On a few occasions, when individuals violate the stated rules, it is the responsibility of the Rules Committee and the Board of Directors to review such cases and determine if disciplinary action is necessary. It is the duty of the membership to know its rules and to cooperate with the Officers, Directors, and Staff in their enforcement.

1. **MEMBER** - A Foxfire homeowner, his (or her) spouse, and all unmarried children under 25 years of age living with their parents, are entitled to all privileges of the Clubhouse and common grounds.
2. **TENANT** - An individual and/or spouse who resides at an owner's unit under a lease agreement may use the common areas and facilities under rules established by the Board of Directors, provided the owner waives his use in writing and a processing fee has been paid to Foxfire Community Association.
3. **LEASING** - The minimum leasing term for Living Units shall be thirty (30) days. This minimum leasing term shall prevail over any Neighborhood Association Governing Document that is less restrictive. Neighborhood Association Governing Documents may provide for a minimum leasing term that is more restrictive than the minimum thirty (30) days provided for herein.
4. **GUEST** - An individual who is the guest of a member or tenant may use the Clubhouse facilities under rules established by the Board of Directors.
5. **CONDUCT** - Members, tenants and guests shall at all times conduct themselves to conform with established standards of behavior or manners. The General Manager may deny service when it is in the best interest of the club and may refer the violation of club rules to the Rules Committee and the Board of Directors for suspension of club privileges.
6. Members, tenants, and guests are to be respectful of club employees. No one, at any time, is permitted to reprimand an employee. Any complaint regarding service - be it slow, unsatisfactory, improper - should be reported immediately to management. Other serious complaints, such as lack of courtesy or inattention to duty, should be made in writing to the General Manager.
7. **CLUBHOUSE DRESS CODE** - Members, tenants and guests shall wear proper attire within the Club.
8. **SMOKING POLICY** - Smoking is not permitted in the Clubhouse or on the west side of the Grille Room Patio. All forms of smoking, including electronic cigarettes, are prohibited in these areas.

9. Gambling is not permitted in the Clubhouse, in accordance with State Liquor Regulations.
10. Subscriptions, petitions, or notices not concerning Club affairs shall not be distributed or posted in the Clubhouse without the approval of the General Manager.
11. Animals are not permitted in the Clubhouse, in the pool, or on the tennis courts, golf course, or any common property of the Association.
12. Parents are responsible for the conduct of their children at all times. Children under the age of 18 are not permitted in the Foxfire Grille Room unless accompanied by an adult.
13. The cost of replacing any Club property broken, damaged or removed by a member, tenant, guest, or any member of their families, shall be charged to the member or tenant concerned. Per our documents, the member is ultimately responsible for any unpaid debts owed by the tenant to the Foxfire Community Association.
14. The parking areas are marked in a manner which permits maximum use with a minimum of inconvenience. Anyone who parks improperly will be warned, but repeated infractions will result in the removal of the offending vehicle at the owner's expense.
15. All decorations for private parties, other than table centerpieces, etc., must have the approval of the Food & Beverage Director.
16. No food or beverages shall be brought into the Club, or consumed on Club premises, unless purchased from the Club.
17. No employee of the Club may be sent from the premises on any personal errand without prior permission of the General Manager.
18. No member, tenant or guest shall interfere with the management of the Club.
19. All non-sanctioned Club events must be approved by the General Manager.
20. Club staff has a responsibility when serving alcoholic beverages, not only to its members, but to the liquor laws of the State of Florida. If and when it may be necessary to limit the number of drinks served or to deny service to anyone, we trust that you will understand the responsibilities borne by the staff in the performance of their assigned duties.

Loss of the card should be reported immediately to the General Manager, at which time a new card will be issued for a fee.

“GREEN CARDS” (Owners and Annual Tenants only)

Owners and Annual Tenants (people who rent for at least one year at a time) may request a Green Card from the Administration Office which will entitle visiting relatives (children, parents, siblings, grandchildren, and spouses of the previously mentioned) privileges of the club. They will pay half the guest fee to play golf plus any other applicable charges.

FOXFIRE COMMUNITY ASSOCIATION, INC.

BILLING AND PAYMENT POLICY

All members and annual tenants are assigned a house charge account and will sign for all transactions at Foxfire. Cash transactions are not permitted.

All member statements are mailed/emailed on the first business day following the last day of the month being billed.

All payments are due on the first day of the month and past due after the last day of the month following the billing date on the statement. This applies to all fees and charges.

All payments received at the Association offices after the last day of the month following the billing date are considered past due. This applies to all payments in person or payments received by mail regardless of the postmark. This also applies if the last day of the month falls on a weekend, a national holiday or the Association office is closed for any reason.

This payment schedule allows ample time for all members to pay their obligations to the Association including mail time to and from the Association offices.

All past due accounts (billing, assessments, obligations) will, in keeping with the documents of the Association, be charged interest at the maximum rate of 1-112% per month (18% annually) on the unpaid balance from the date of delinquency.

For Payment of the monthly statement, Members have the following options,

1. Online Credit or Debit Card Payment: Please log in to Foxfire Golf & Country Club website to make an online credit or debit card payment.

** Please note that a 3% convenience fee will be charged to members or tenants who use a credit card to make online payments. The 3% convenience fee is collected by the credit card processing company, not Foxfire Golf & Country Club.

2. Online Bank Payment: Please log in to Foxfire Golf & Country Club website to make an online bank payment, which is due by the month. There is no fee for the Online Bank Payment option.

3. Check Payment: Please make checks payable to Foxfire Golf & Country Club. Check payments are due by the end of the month. There is no fee for the Check Payment option.

4. Cash Payment: Cash payments are due by the end of the month. There is no fee for the Cash Payment option.

5. Automatic ACH Payment: Please fill out the attached ACH Authorization form. Bank drafts occur on the 20th of the month. There is no fee for the Automatic ACH Payment option.

SWEEPS POLICY

Sweeps is a program used to track winnings from tournaments, association play, bingo and trivia. Each sweeps account corresponds to your member number and they are updated on a daily basis.

Sweeps can only be used for the purchase of golf merchandise or food and beverage. The Pro Shop staff will ask if you want to use sweeps for your purchase. In the restaurant, you must sign your ticket and then write "sweeps" on it in order to use sweeps for that purchase. Sweeps must be used at the time of the transaction.

Foxfire members do not have to use the sweeps within any certain time limit. Sweeps balances will remain until the unit is sold.

Sweeps CANNOT be used to pay your monthly statement. NO winnings will be paid out to anyone by check or cash for any balance that is left in a sweeps account. NO sweeps balance can be transferred to another member's sweeps account.

INSTRUCTIONS FOR COMPLETING FOXFIRE TRANSFER FORM

1. Tenant and/or Member can secure a blank Transfer Form from either the Foxfire website or the Association Main Office. The following information is important.
2. The lease term shall be a minimum of 30 calendar days as directed in Foxfire covenants. The maximum lease term shall be 365 days and can be renewed upon completion of an updated Transfer Form.
3. Tenant and Member must fully complete Page #1 of the Transfer Application. Enter "N/A" if the individual line does not apply.
4. An acknowledging check mark on Page #2 is required to designate the delegation of the owner's rights. Choices are Full Rights at **\$850 (Non-Refundable)** or alternatively **\$600 (Non-Refundable)** for Social Rights. One of these two options must be chosen. Applicable fees will be charges to the Member's account at the time the Transfer Form is approved and executed.
5. The completed Transfer Form must be signed by the Member and Tenant on Page #3 indicating their approval of the Neighborhood and Master Association rules and regulations. If a realtor is involved in this transaction, they must also sign on Page #3 acknowledging their responsibilities.
6. The completed and signed Transfer Form is then forwarded to:
 - a. The Neighborhood Association Board where the Member resides. The respective Neighborhood Association will provide to their members the proper address for routing of the completed Transfer Forms.
 - b. Directly to the Master Association Office if the Member is renting a single-family home within Foxfire.
7. The Neighborhood Association must send any Transfer Form they have approved to the Foxfire Main Office as quickly as possible. The Neighborhood Association must also forward copies of their approved transfer and their Neighborhood Rules and Regulations to the new tenant. Getting the documentation to the Main Office promptly will help in expediting the transfer. If the transfer application is not approved, they are required to notify the requesting Tenant.
8. Any transfer delegation processed by Foxfire not in accordance with the policies outlined above will be rescinded immediately. If the Tenant application is approved by the Neighborhood Association and the Foxfire Master Association, the Tenant may take up residence in the Member's unit. The Tenant will be issued the residence authorizations and a transponder from the Master Association at its offices. The Master Association will also provide to the Tenant a copy of the Foxfire Master Association Rules and Regulations.
9. The failure of the Tenant or the Member to properly complete the Transfer Form Application in a timely manner, could result in unnecessary delays in the processing of the Transfer Application.

Clarification about visitors residing in Member units in Foxfire

In addition to the rental of units by a Member to tenant for monetary reasons, Members are allowed to provide access to their residence where a rental payment is not exchanged. Here are these various options and a brief explanation.

Green cards – This option pertains to residency by parents, siblings, sons & daughters of the Member and any grandchildren of the Member. It also includes spouses of those previously mentioned. It does not apply to friends or any relatives not identified in the previous sentence. This rule appears on Page #13 of the last issued Foxfire Directory. This group of people are entitled to the privileges of the Club, including the golf course at a reduced fee. Registration for this group occurs when the visitor secures the green card from the Foxfire office.

Non-Relative guests visiting a member, who are living in the unit when the Member is present, do not need to register with the Master Association. They are allowed to use Foxfire amenities when the Member is with them, provided that any charges they incur are processed thru the Member's account. Section 2.7 in the Foxfire By-Laws addresses and resolves any concerns about Non – Relative Guests. Further in (2.7 Section D) it states the Member must keep the Association advised of people “who normally reside” with the member and intend to use the Club Common Area. This requirement would not apply to short term visitors.

Visitors residing in a member’s unit with their authorization for a limited period of time - This is not a rental situation because no rental money has been exchanged. This group of visitors has no right or privilege to use any Foxfire facilities per our documents, so there is not a need to create a registration system for them. They also can't charge anything to a member's account. Basically, they are just staying in the unit and nothing more.

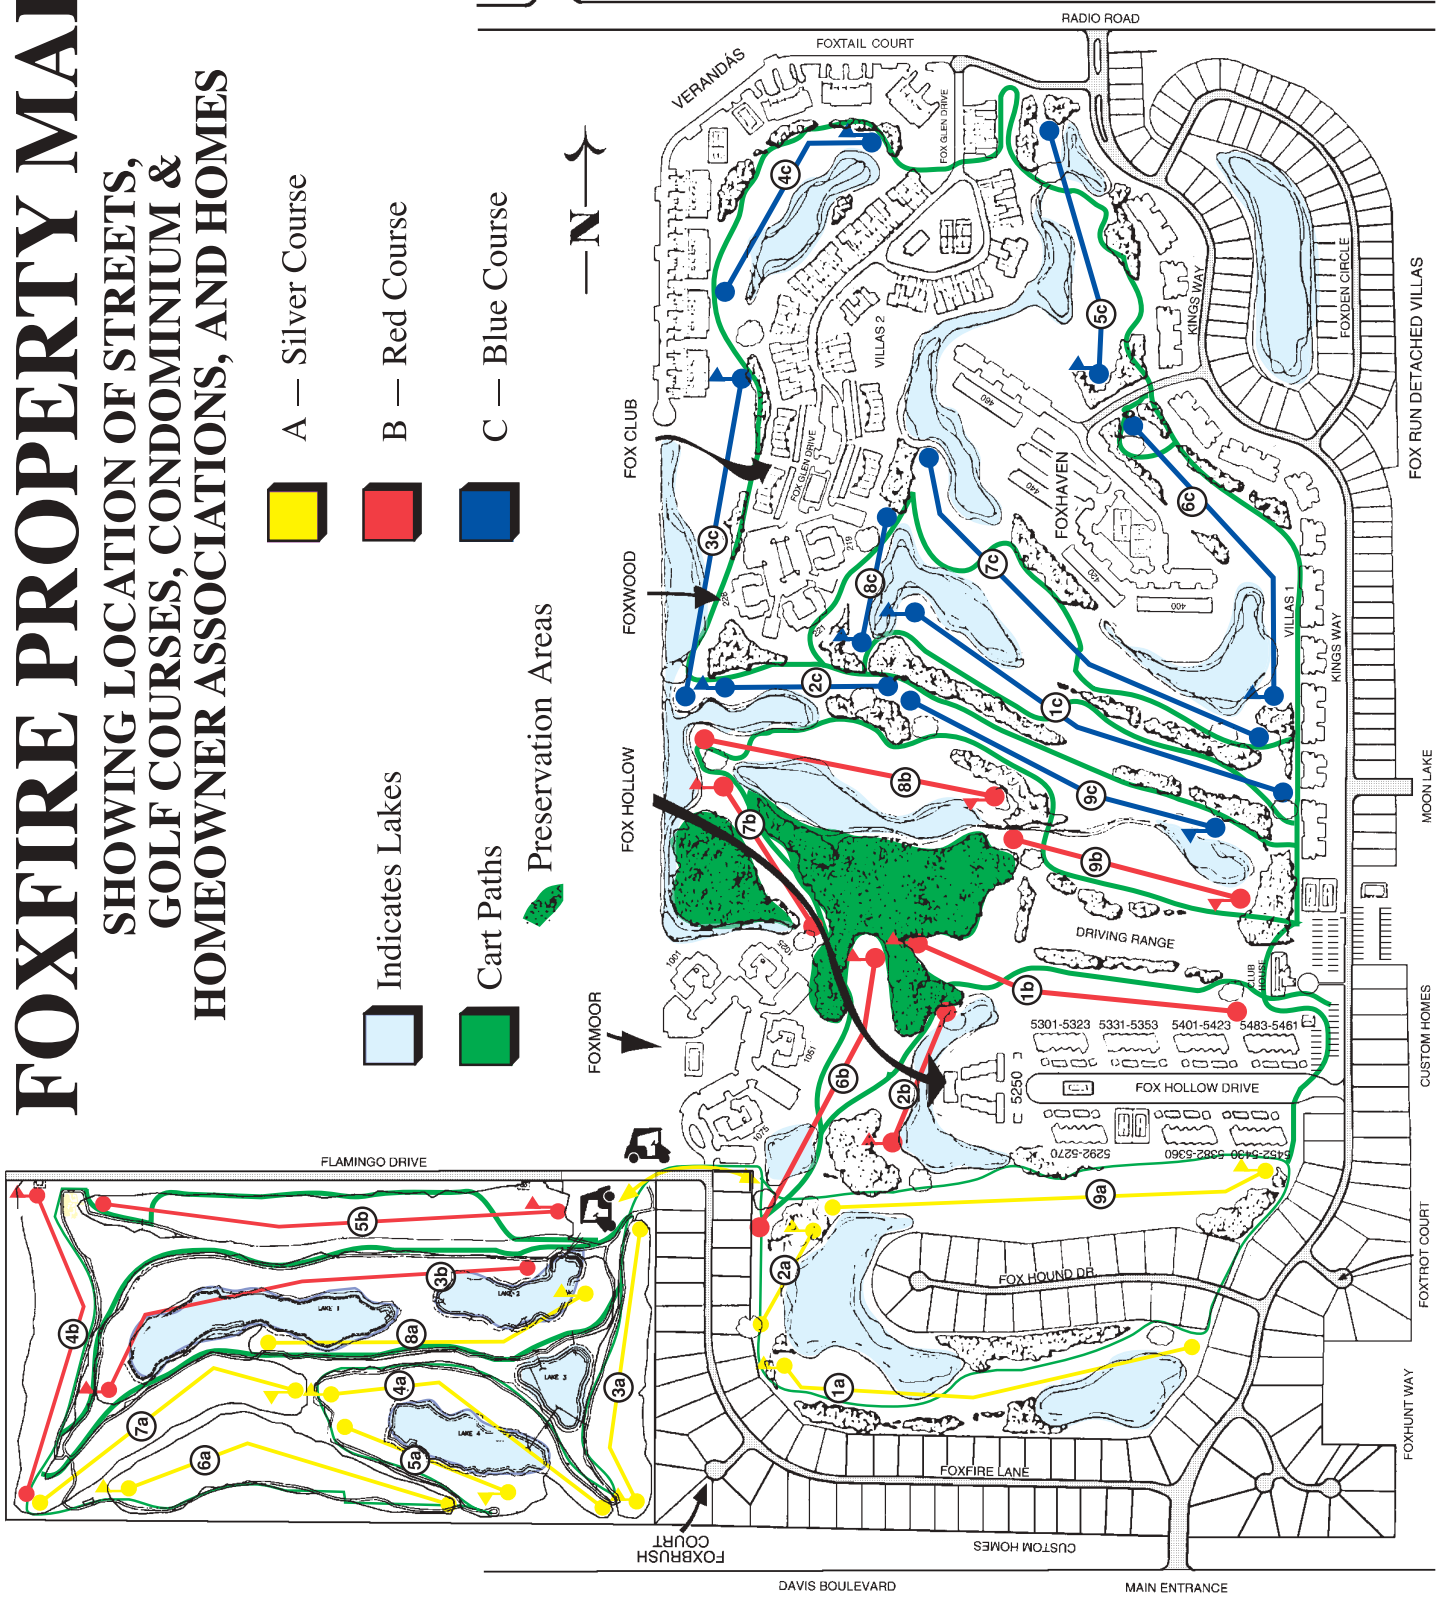

Foxfire members who temporarily reside in another member’s unit – Sometimes a Foxfire member needs to reside in another's member residence, a construction project is an example. Any Foxfire member temporarily residing in another Foxfire unit must notify the respective Neighborhood Association of their short-term residence and complete any documentation required by that Association. The member shall retain their usage rights and privileges from their own unit, so no transfer of privileges is required.

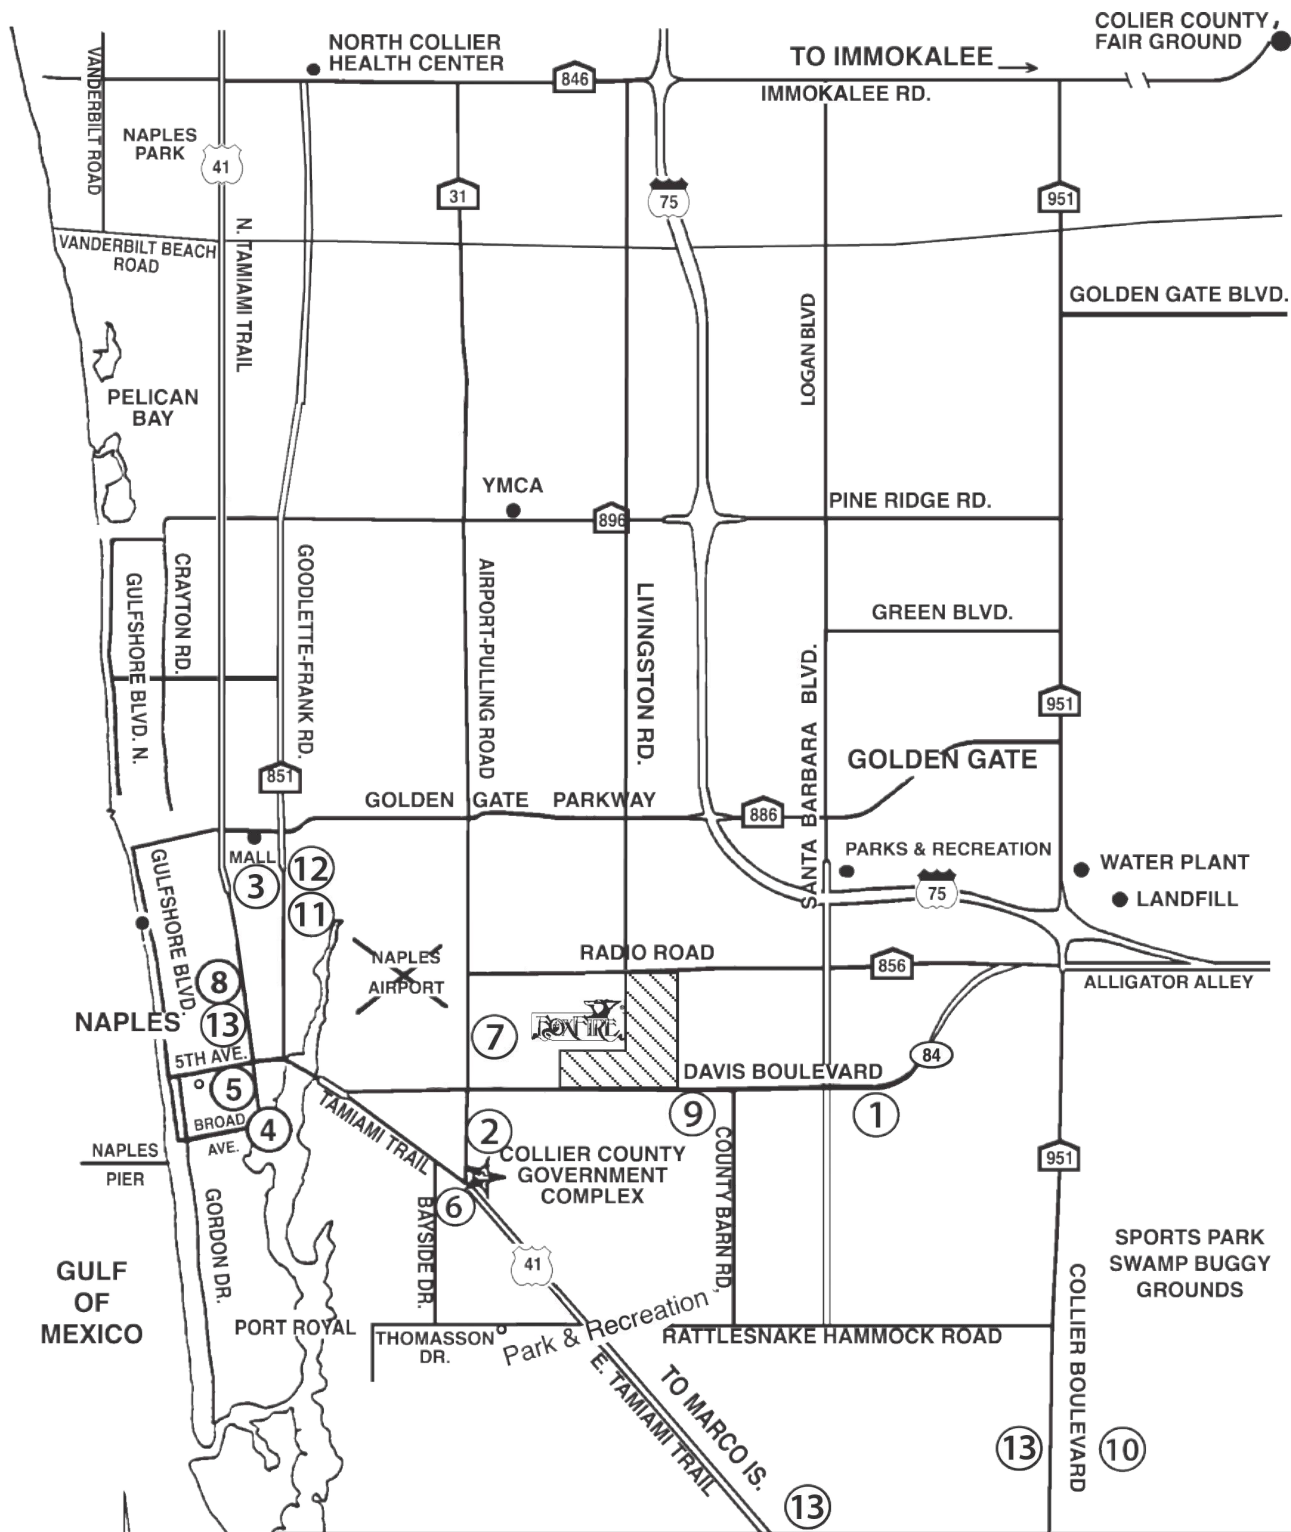

Important Notice - It should be noted that any attempt to classify a monetary renter of a Member's unit as a Green Card Holder, a visitor residing with the member or a visitor residing in a member's unit with authorization in an attempt to avoid the Transfer Fee Process is in direct violation of the Rules and Regulations of Foxfire. Members found to be in violation of these Foxfire Rules are subject to possible fines and suspensions as deemed appropriate by the Foxfire Rules Committee.

ARCHITECTURAL CONTROL

The purpose of the Architectural Control by the Foxfire Community Association Board of Directors administered through the Architectural Review Committee (A.R.C.) is clearly defined in Section 4.1 of the Declaration of Covenants, Conditions and Restrictions.

DECLARATION

4.1 General. Except for the Club Common Area facilities, and related improvements made by the Master Association, no building, structure or other improvements shall be erected or altered, nor shall any grading, excavation, landscaping, change of exterior color, or any work which in any way materially alters the exterior appearance of any Structure, Lot, Living Unit, or Neighborhood Common Area be performed without the prior written approval of the A.R.C. In obtaining said written approval, an Owner or any other person applying shall comply with all applicable requirements and procedures of this Master Declaration and the By-Laws of the Master Association. Prior to submission of any such request for approvals hereunder, any owner of a Lot or Living Unit governed by an N.C.A., shall first process their request/proposal through their respective N.C.A., and the recommendation of the respective N.C.A. shall be forwarded to the A.R.C. with the Members' request/proposal.

The intent of this section, among other things, is to retain a pleasing exterior appearance of all units in the community. It is a concept that all owners agreed to and expected to retain when they purchased in Foxfire.

Request forms are available in the Administration Office and online at www.foxfirecc.com.

PARKING OF RECREATIONAL VEHICLES WITHIN FOXFIRE

In accordance with the Master Declaration of Covenants and Conditions and Restrictions for Foxfire, Section 3.17 (B) that states: "No boat, boat trailer, or other trailer of any kind, golf cart, camper, mobile home, pick-up truck or disabled vehicle shall be permitted to be parked or stored in Foxfire unless kept fully enclosed inside a structure, or in such other designated area specifically approved by the Board or its designees."

The Foxfire Board of Directors appoints the Foxfire General Manager as its designee to allow the following:

Upon obtaining written permission from the Neighborhood/Condo Association President (where applicable) and Foxfire Management and no more than two times per year:

Residents may park a trailer, travel trailer, camper, or recreational vehicle for a period of no longer than twelve hours for the purpose of loading or unloading.

Slides, pop-ups, and other extensions of RVs or trailers must remain in their "travel" position so as not to interfere with the safety of any pedestrian or vehicle or infringe on the ingress or egress of any street or walkway within the Foxfire community.

EXTERIOR COLOR POLICY

The ARC and the Board of Directors of Foxfire Community Association have adopted a "chart of colors" which is available for use by homeowners and associations for use on the exterior of residential buildings. The "color chart" is available in the Foxfire Administration Office. Application for the use of any color not included on the Foxfire "color chart" will not be considered.

Homeowners and associations must submit an application to the ARC to paint residential buildings. The application must stipulate the “color chart” colors selected for use as body and trim and clearly define what areas will be colored as body and trim. After preliminary approval, please paint a color swatch on your building in preparation for final approval.

Any questions regarding this process should be directed to Keith Bailey, Chair of the ARC or to Mike Gavigan, Vice Chair of the ARC.

The ARC has engaged the services of a color consultant who may be available, upon request, to help in the selection of colors and in the definition of “body and trim”.

SIGN REGULATIONS WITHIN FOXFIRE SIGNAGE CONCERNING REAL ESTATE

1. No sign shall exceed a total of 432 sq. in. (18” x 24”).
2. Signs may be displayed during the hours of 8:00 a.m. to 6:00 p.m. on Saturday and Sunday only.
3. Signs may only be displayed while the residence is “open for inspection to the public” and either the owner or licensed realtor is present.
4. Signs must PROMINENTLY display the words:
 - a) OPEN HOUSE or OPEN FOR INSPECTION
 - b) This sign is for placement on the property for sale and no other location.
5. One directional open house arrow sign may be placed at road intersections. However, such directional signs must ONLY say “OPEN HOUSE” with a directional arrow (→ or ←). These directional signs may not contain any other information.
6. Signs are NOT permitted in any window or to be shown from the inside of any residence.
7. Signs ARE NOT permitted on the golf course side of any residence.

ALL OTHER SIGNAGE

No type of sign (other than real estate signs described above and security signs) is permitted in Foxfire. Sales of anything other than real estate may be held inside the home or garage but NO site signs will be permitted.

FOXFIRE HURRICANE PROTECTION DEVICES POLICY

The Architectural Review Committee (ARC) with the approval of the Foxfire Board of Directors, has established the following policy regarding the installation and operation of Hurricane Protection Devices within Foxfire.

1. All installations must have approved ARC request forms prior to the commencement of work.
 - a.) If your living unit is a Condo, Veranda, or Villa, this request must first be approved by your Association President before forwarding to the ARC for final approval.
 - b.) If your living unit is a Single Family Home, the request should be sent directly to the ARC for approval.

2. Types of Hurricane Devices that will be considered for approval are:
 - a.) Hurricane impact windows, sliders, and doors
 - b.) Manual or power roll down shutters
 - c.) Accordion folding shutters
 - d.) Storm Panels, colored or clear laxon
 - e.) Bahama shutters (Single Family Homes only).
3. All installations must be done by licensed contractors with proper County permits for installation. All devices must meet or exceed Collier County Hurricane Protection Standards.
4. If your living unit is a Condo, Veranda or Villa, the requested device must be the same or similar for all units within the same building complex.
5. All devices must be an approved neutral color. A color sample will be required.
6. The normal Florida Hurricane season is from June 1 through November 30. It is strongly recommended that removable devices or roll down types not be put up or closed prior to June 1 and be removed or opened after November 30. We will allow some flexibility if the unit owner feels the need for additional security or privacy.
7. Exceptions are allowed during periods of hurricane watch or warnings when any reasonable type of protection is allowed, but must be removed within one week after the watch or warning is lifted.
